RE: MB Docket No. 04-233

To Whom It May Concern:

I just wanted to write to you to let you know how K-LOVE has impacted my life. I have been a loyal listener for over 5 years. I am also a financial supporter of K-LOVE. I know when I tune into K-LOVE that my family is only going to hear family friendly programming. I am encouraged throughout the day by the broadcasts to be a better person. I have no fear that my family will hear anything offensive as frequently happens on the other radio frequencies.

If K-LOVE were to be displaced by an LPFM broadcaster that provides other programming I fear that my community will severely impacted. The music, programs and positive reporting are irreplaceable in my eyes.

I feel that the service provided by K-LOVE is definitely in the public interest. The people of this country need positive programming. K-LOVE reminds me every day that God did not put on this earth to think only about ME but OTHERS. Can you imagine the impact this has on hundreds of thousands of people daily? The programming has helped me in my marriage, raising my children, and financial matters. How many stations can attest to this?

Please take this into consideration when making your decision.

Terri Lander
